

DearSir/dam

The first of all we would like thank you for your understanding.

We would be happy to cooperate with your company, please contact us for details in case you are willing to be our sales agent.

We are since 20 years a hotel in BODRUM.

We are working with all marketing in Europa.

We are scouting a outgoing travel agency for our hotel Bodrum.

Our all costumers are very important , of they must be happy for holiday or summer camp.

How I said that, we have everything for a good holiday.

We would like to see you in your hotel where is in located by beautiful centre Bodrum with natural Aegean beauty. With the belief of " away from noise but close to the fun " it is waiting to fulfil your holiday expectations. Hotel Mert directors and staffs are 24 hours ready to serve you a comfort and all the amenities for a memorable holiday with peace..

At Mert Hotel, breakfast and dinner is served with the a'la carte restaurant serving English Meal, Dutch Meals and Turkish meals and sea foods. For the beverages Bar, or 24 hours open Room Service.

Our service First impressions can be misleading; a sleepy sun drenched town of whitewashed houses nestling on a beautiful hillside overlooking of the Aegean would be reasonable. However to actually understand Bodrum and what the region has to offer is something, which can only gained by direct experience.

Bodrum truly offers something for everybody, sun, sea, beaches, vista, food, shopping, history, daytime amusement and Nightlife to rival anything to be found in the Mediterranean. From a toddler to retiree all are accommodated.

I hope so this e-mail will be a good proposition for two company.

We believe it with our friendly personnel giving good service.

I will wait your kindly and positive answer.
